INTERNSHIPS

Vardhan Consulting Engineers

- During the internship, I learned how to prepare the Financial Model as well as terminologies used in the model. I prepared "**Financial Modeling and Analysis of 50 Flats Housing Project in Gurgaon, Haryana IN**". I also completed the Corporate Skills Development(CSD) program, which was offered by the firm to make a better future in the Corporate world.

XPERT- Learn from the best

- I had worked with Xpert as a Social Media Marketing Intern for a duration of four weeks in summer vacation. My job responsibilities working in the following areas – Market Research, Content Development, Social Media Promotion, Lead Prospecting, Direct Marketing. I learned how to work in these fields and also got ideas to make some strategies for marketing.

PROJECTS

Dicee

- A simple dice game for two players and is made completely fair using random function.
-Developed using HTML, CSS, and Javascript.
<https://princegup678.github.io/Dicee/>
